ABOUT THE WORKSHOP:

This workshop is designed to show how to take a tonal painting, build layers of color and harmonize. There will be a demonstration each day to talk about technique, composition and design. I will work with each artist to help achieve a better knowledge of the medium, to a completed painting. Design, values and colors will be discussed along with a critique at the end of the workshop. Photo references will be supplied or you may bring your own. Beginners to advanced are welcomed.

Cindy Baron is nationally recognized in both watercolors and oils. She is a full-time artist and has taught at the Rhode Island School of Design. To learn more visit www.cindybaron.com.
