WHO: This workshop is for artists who have inventory they want to sell online.

WHAT: Starting an Etsy Shop can be daunting when you start from scratch. This workshop will help you get going.

WHY: Etsy offers a great online storefront at a low cost, with a built-in audience who is already on the site searching for quality hand-made goods. Whether you've never sold your art before or you are ready to reach a wider audience, selling on Etsy can be a good way to subsidize your hobby or grow your small business.
