ABOUT THE WORKSHOP: This workshop will focus on the classical approach of painting traditional florals. The class will include a discussion on composition, color mixing, and harmony along with brush techniques to make your florals glow. Beginning and intermediate students will all paint a prepared composition by the instructor, however, advanced students may choose to bring their own composition to work on. The steps to a successful painting will be emphasized: a structured drawing, under painting, light and shade, and brush strokes.

INSTRUCTOR: Born and raised on the beaches of Southern California, Nikki and her family moved to Georgia when she was 55. Paintings of rocky shores, sailboats and crashing waves gave way and were replaced by the majestic scenery and southern life-style of the South. Nikki received her teaching certificate in fine art from The California Community Colleges in 1973 and has been teaching drawing and painting for more than 35 years. Currently she teaches at her Thunder Ridge Studio in Dallas Georgia. She is a member of the North Georgia Art Association, North Cobb Art League, the Booth Artists' Guild, and President of the Artist Guild of Northwest Georgia. Her work has been accepted at both National and local juried competitions through which she has received numerous top honors. Nikki has also served as a juror for competitions as well as being asked to help in the jury process for the Governor's Honors Program.
