

**Association of Science-Technology Centers
ASTC Travel Passport Program**

November 1, 2013 to April 30, 2014

The Travel Passport Program entitles visitors to free **GENERAL admission**. It does not include free admission to special exhibits, planetarium and larger-screen theater presentations nor does it include museum store discounts and other benefits associated with museum membership unless stated otherwise. **Each museum has its own admissions policy.** Visit www.astc.org to find out which and how many family members receive free admission. **90 miles is measured "as the crow flies" and not by driving distance. Don't forget to bring your membership card with you!**

PROGRAM RESTRICTIONS **1) Based on your science center's or museum's location:** Science centers/museums located within 90 miles of each other are excluded from the Travel Passport Program unless that exclusion is lifted by mutual agreement. **2) Based on residence:** To receive Travel Passport Program benefits, you must live more than 90 miles away from the center/museum you wish to visit. Admissions staff reserve the right to request proof of residence for benefits to apply. Science centers and museums requesting proof of residence are marked by (✓IDs).

Visit www.astc.org/passport for a list in larger type font and for additional details, such as street address, website, and admission policy for each Passport Program venue. **CALL BEFORE YOU VISIT TO CONFIRM YOUR TRAVEL PASSPORT PROGRAM BENEFITS.**
