

THE BOOTH MUSEUM

Frequently Asked Questions

Q: What steps are you taking to keep guests safe?

A. Booth is taking a number of precautions and implementing many enhanced protocols to keep members, guests and staff safe. Museum staff will have their temperature taken daily prior to entering the museum. Guests with COVID-19 symptoms or who are sick will not be permitted to enter. We are asking all visitors to acquire timed tickets in advance to reduce the number of individuals in the museum at any given time. Guests are expected to follow health guidelines on social distancing by maintaining a distance of at least six feet from others at all times. Hand sanitizing stations have been placed throughout the facility. Our touch intensive exhibit, Sagebrush Ranch will remain closed as well as our Orientation Theater. The Café will remain open with a limited menu, limited seating and shorter hours to allow for additional cleaning. The McNair Store will be open but the amount of visitors allowed in at one time will be limited. Housekeeping will be cleaning frequently touched areas such as elevator buttons, stair rails and door handles throughout the day. All staff will be wearing masks, and those coming in direct contact with visitors will be wearing gloves. Guests are strongly encouraged to wear masks. We have installed plexiglass sneeze guards at all cash register locations.

Q: What is timed ticketing?

A. Timed ticketing allows guests to select a specific date and time to visit the museum. Guests will only be allowed entry during their assigned time slot. We recommend that you arrive at least 10 minutes before the end of your time slot. Timed tickets are available during all museum hours up until the last hour each day.

Q: How long can I stay during my visit?

A. There is no time limit on the length of your stay. The average visit lasts 2-3 hours.

Q: Do members have to reserve a timed ticket?

A. Members can reserve timed tickets at no charge by visiting our website or by phone. A limited number of guests are allowed into the museum each day and slots are available on a first-come, first-served basis.

Q: Will my membership be extended due to the closure?

We are grateful for your continued support and would like to offer the following options.

1. If your membership has expired since we closed on March 16, 2020, you can request an extension of your benefits for 3 months or until July 31, 2020, whichever is later, and that will become your new renewal date.
2. If your membership expires after our opening date of June 13, 2020, you can request a 3-month extension of your benefits to be added to your current membership, and that will become your new renewal date.
3. No matter when your membership expires, renew as normal, keep your same renewal date, and know you are helping support the Museum in an even greater way. We would be grateful!

If you have any questions, please email membership@boothmuseum.org

Q: What's open and what's closed?
