Live Auction Absentee Bid Form

Booth Western Art Museum (Booth) is pleased to offer complimentary absentee bidder service as a courtesy to collectors who cannot attend the live auction on Zoom. Booth will bid in a competitive nature for you as if you were on Zoom bidding for yourself. Please see the terms for proxy bidding below.

1. By placing this/these proxy bid(s), I hereby authorize Booth and its agents to bid on my behalf and try to purchase the artwork or item(s) listed below for the lowest possible price. I understand that Booth will bid starting at the minimum amount and increase as necessary in increments up to the reserve price or the maximum amount of my bid.

2. I understand that due to the competitive and incremental nature of bidding a piece may sell for my maximum bid amount and I may not be the winning bidder. I understand that if identical proxy bids are submitted, Booth will give precedence to the first one received. I understand that Booth will not be held responsible for any errors or failure to execute bids.

3. Proxy bidders will be contacted with auction results by email within 3 business days following the auction.

4. I agree that if I win the auction item, I will provide my credit card information and the total payment will be due immediately.

5. If packing, shipping, and shipping insurance are required, I agree I will be responsible to promptly pay those charges. If I am not contacted by Booth, I will contact Booth within 5 business days from the date of the sale to make shipping arrangements for my auction purchases. I agree to be responsible for any and all damages to the artwork from the time artwork is received by the carrier to the date of delivery, including any and all damages incurred in delivery and/or transportation of artwork to proxy bidder.
