# My Visit to the Booth Western Art Museum

## A Visual Checklist for Visitors on the Autism Spectrum

### Instructions:

1. A few days before your visit, print out the checklist and the picture cards on the next pages to plan your trip to the Museum.
2. To help you decide where you want to go, read information about the different galleries to learn about the types of art in the Museum.
3. When you've decided which areas you want to visit, cut out the corresponding cards and attach them to your checklist.
4. You can also use other picture cards to say when you need to take a break, sit down, use the restroom, etc.
5. Be sure to leave some boxes on your checklist empty so you can add to your tour while you are at the Museum.
6. Bring your completed tour checklist with you to the Museum.
7. Print out a blank checklist and extra cards in case you want to create another checklist while you are at the Museum.
8. When you are at the Museum and have completed a stop on your tour, check it off with a pencil in the "All Done" column.
