ABOUT THE EVENT: Participants will spend a 4-hour session with Allen & Patty Eckman and a 4-hour session with Booth Museum staff in an all-day workshop designed to provide an exciting hands-on papermaking/paper sculpting learning experience. With the Eckmans, participants will use Eckman Fine Art paper, casts, and bonding agent to create a beautiful, one-of-a-kind life-size rose sculpture with stem, thorns, and leaves. Participants will be provided with a kit that includes the paper, wire, and a sculpture stand along with a tuck-tool burnisher and template. Allen & Patty will demo and work with participants throughout the session. With Booth Museum staff, participants will work on both a bookmark project and a casting project using found objects. There will be a 1-hour break for lunch at noon. **ALL SUPPLIES ARE INCLUDED!**
